"JACK" COLLOPY KILLED BY AUTO IN LEXINGTON STREETS

Death Comes to Native Maysontan,
Member of Lexington Police Force
From Injuries Sustained
From Auto Lick.

John T. Collopy, a native of Maysonton and a member of the Lexington police force, who was struck by a car driven by Jones McCarty, 468 North Limestone street, Tuesday night at 2 o'clock on Walnut street between Fourth and Fifth street, died at St. Joseph's Hospital at 7 o'clock Wednesday night. Mr. Collopy suffered a fractured skull and hip, and was injured internally. He did not regain consciousness.

According to Patrolman James E. Haney, who was walking with Patrolman Collopy at the time the accident occurred, he and Mr. Collopy were walking along Walnut street near the sidewalk. Observing an automobile going North without lights, they ordered the driver to stop the car, he declared.

At the command the automobile swerved sharply and hit Mr. Collopy who was walking nearer the center of the street, according to Haney, before he could get out of the way, dragging his body about 100 feet. The automobile was running at a speed of approximately 25 miles an hour, Mr. Haney said. Mr. Collopy was taken to St. Joseph's Hospital in an ambulance by Lieutenant Austin Price and Patrolman Haney.

McCarty was arrested shortly after the accident by Lieutenant Price on a charge of breach of the peace by assault with an automobile. His trial was continued to May 28 on bond in police court Wednesday. The charge was changed to manslaughter last night.

Mr. Collopy was 68 years old and had been on the police department force three years. He came to Lexington from Maysonton several years ago. Besides his wife, who was with him at the time of his death, he is survived by three brothers, William Collopy, of Maysville, Ky.; P. J. Collopy and J. S. Collopy, of Lexington. The funeral arrangements have not been made. The body was taken to his home, 370 Rose street.

LEWIS COUNTY PREACHER DIES FROM BURNS

Rev. Al Corns, Well Known Minister
of Tollesboro Neighborhood Dies of
Burns From Exploding Stove.

The Vanceburg Sun says: Elder Al Corns, who has been in Illinois since last summer, was fatally burned some ten days ago by the explosion of an oil or gasoline stove which he had just filled. He was so badly burned that his wife, who with the children were living on the farm near Ribolt, was sent for and Saturday he was thought to be on the road to recovery to such an extent that his wife started for home, arriving Sunday a. m. Word was received Monday that he took a sudden turn for the worse Sunday and expired the same day.

The remains were brought to his home Tuesday and buried at Tollesboro Thursday. He leaves wife and seven children, besides one brother, Lon, and several sisters and a host of friends.

Brother Corns is well and favorably known to the greater part of the citizens of Lewis county where he had ministered to the various congregations of the Christian church most acceptably.

MASON DELEGATION

The Mason county delegation at the Republican State Platform Convention in Lexington was composed of the following citizens: H. C. Pollitt, James M. Collins, Charles E. Galbreath, Clarence Mathews, Carry M. Devore, A. G. Watson, A. D. Cole, A. L. Baldwin, H. P. Purnell, P. P. Carpenter, J. C. Simons, C. T. Brown, J. R. Devine, Dr. W. S. Yazell, R. T. Watson, James Gruffy, Maysville; A. H. Dillon, Fred Grover, Sardis; W. H. Painter, Mayslick; Thomas Davis, Murphysville.

Strong Platform Adopted By Kentucky Republicans

ED MORROW AND FULL TICKET
RECOMMENDED—HARMONY IS
FEATURE OF MEET—RES-
OLUTION OF HON. W. D.
COCHRAN ADOPTED.

The platform adopted by the State Republican convention last night at Lexington carries a general denunciation of the conduct of affairs by the Democratic party of the state.

It recommends the removal of penal and charitable institutions of the state from politics, the appointments to positions in these places to be made with a view of selecting men qualified for the position, regardless of political affiliation.

It also condemns the manner in which the tax law has been administered by the Tax Commission, and while admitting that the basic principles of the laws are good, recommends that amendments be made to it that will remedy it. It also pledges a thorough investigation of its administration by the Democratic officials and a willingness to hear all cases of grievances which are considered worthy.

The State Text Book Commission was also denounced, as was appointment of special attorney by the state at what are styled exorbitant prices, to do work, it is asserted, should have been done by officials in the office of the Attorney General.

It condemns extravagance of Democratic officials and the failure to keep pledges, declaring that public funds were wasted and public and charitable institutions were used to further political ambitions.

It made a flat declaration in favor of the adoption of the state-wide prohibition amendment to the Constitution, and endorses the federal amendment. It also made a positive declaration in favor of woman's suffrage.

The pardon record of Governor was scored, the statement being made that Governor Stanley abused the power of his office by releasing criminals indiscriminately.

Dr. A. W. Fortune, of Transylvania College, offered the invocation, and E. T. Franks, of Owensboro, chairman of the State Central and Executive Committees, called the meeting to order.

The State Central Committee, through Chairman Franks, recommended to the convention Judge B. J. Bethurum, of Somerset, as temporary chairman; Harry Giovannoli, of Lexington, as temporary secretary and the Kentucky Republican newspaper men as assistant secretaries.

Charles F. Ogden, of Jefferson; John W. Langley, of Pike, and J. M. Robinson, of Knott, were appointed to escort the temporary chairman to the platform.

Judge Bethurum was greeted with loud applause and was frequently interrupted in the course of his speech with cries of approval and encouragement.

The secretary, Harry Giovannoli, called the roll of Congressional districts for the appointment of committees, and the Ninth District appointments were as follows:

Credentials—T. S. Yater, Carter. Rules and Order—Judge Samuel J. Holmes, Nicholas.

Resolutions—B. O. Becker, Boyd. Permanent Organization—Clarence Mathews, Mason.

Vice Chairman—M. S. Crane, Breathitt. Assistant Secretary—Stanley O. Wood, Montgomery.

The various committees went into immediate session to prepare reports. In the interim Augustus E. Willson, former Governor of Kentucky, addressed the convention, expressing confidence in the victory of the party in November, and saying that the Democratic party had given the Republicans license to exult in the approaching victory.

Alvin T. Hert, national committeeman, was called to the platform by the audience, which refused to be denied when he was seen in the rear of the building. Mr. Hert said that he could not fully express his confidence in the election of Ed Morrow as he felt it, and that Louisville would give him 10,000 majority instead of the 6,000 as the placard announced.

Congressman J. M. Robinson, of the Eleventh District, addressed the convention in response to repeated calls from his admirers in the audience. He predicted that the political atmosphere of the state would be clarified when Louisville brought in her 10,000 and the Eleventh District her 30,000 for Ed Morrow for Governor.

He praised the Republican delegation in Congress for its equipment, saying that he furnished the legs, John W. Langley, of Pike county, the "bay window," and Charley Ogden, of Louisville, the brains.

The committee on permanent organization presented the name of Judge Charles Kerr, of Lexington as perma-

HON. EDWIN P. MORROW

nent chairman and Ed L. Allen, of Prestonsburg, as permanent secretary. The report was adopted.

Judge Kerr was introduced by former Governor Willson.

Chesley Searcy, state campaign chairman, responded to enthusiastic calls from the delegates, led by the Louisville party. He said that the party would "clean out the state house from Stanley down—or rather from Stanley up," and that Ed Morrow would carry out all election promises and principles of the platform.

Judge Charles Kerr, permanent chairman, called the evening session to order.

Congressman John W. Langley, of the Tenth district, responded to repeated calls from the audience, addressed the convention while awaiting the report of the committee on resolutions. He said that the platform about to be submitted was the best in the history of Republicanism, and that the ticket would win victory in November.

He predicted the largest Republican majority ever recorded in the annals of the tenth and eleventh district for Ed Morrow and others on the ticket, and scored the national Democratic administration. The Republicans in Congress propose to present a program of constructive legislation to the President and will not depend on criticism of the administration, he said.

Judge McKenzie Moss, of Bowling Green, chairman of the committee on resolutions, read the report of the committee.

Judge Ed C. O'Rear, of Frankfort, offered a resolution commending the services of Theodore Roosevelt to the party and to the nation. The resolution was unanimously adopted by standing vote.

Marlice Galvin, of Covington, proposed a resolution in appreciation of the services of the late Hon. W. D. Cochran, of Maysville, who was active in war work until his untimely death. The resolution was adopted by a standing vote of the convention.

Judge Roscoe Tartar, of Somerset, presented the name of Edwin P. Morrow for Governor in a speech in which he paid high tribute to his fellow-townsmen as a leader and a statesman.

Judge Tartar's voice several times could not be heard in the vociferous calls for Morrow from the impatient audience. Chairman Kerr was frequently forced to call the meeting to order, and his calls were as frequently disregarded.

(Continued on Fourth Page)

PRIZE WINNERS IN BANNER CONTEST ARE MADE KNOWN

One of Three Mason County Sunday
School Banners Will Be Selected
As State Emblem.

The committee composed of Miss Anne Shackelford, Miss Mary Robert Loyd and Mrs. Flit which was appointed to judge the flags made for Go-to-Sunday-School-Day May 4th, has awarded the honors to Miss Mary Willson, Mrs. Harry Crawford and Mrs. C. S. Dale.

One of these three will be officially adopted as the State flag for the Kentucky Sunday School Association at the State Convention in Ashland.

Miss Willson's design represents the earth as a circular plane with Go-to-Sunday-School-Day written around the center with four concentric belts representing the four departments: primary, intermediate, junior, and adult. On each belt is an appropriate quotation as: "Suffer the little children to come unto me"; "In the days of thy youth"; "Young men and maidens"; "Even to your old age."

Mrs. Crawford's flag has a cross with twelve gold stars circling it, and around them as many white stars as there are County Sunday Schools.

Mrs. Dale's flag has a clock showing half past nine with Christ gazing at it with this quotation, "Could ye not watch with me one hour?" Where? At Sunday School.

Each of these patterns are very significant and we can rest assured that our Sunday School Association will have in the future an appropriate emblem.

NEW MANAGEMENT OF HOTEL TAKES CHARGE

Supper today will be the last meal served at the Central Hotel under the old management, Mr. Claude Watkins, of the Whitehall, who recently purchased the Central, will take charge after the last meal of the day.

NOTICE

All teachers desiring to meet for final review for the Agricultural Examination will meet at the High School building Saturday at 12:45.

GEORGE KIRK.

The pure bred Holstein cow which is being exhibited in front of Mike Brown's store as a part of the Holstein show now in progress there, is attracting much attention and many farmers in the county are now becoming interested in Holstein cows.

MASON SOLDIERS TO PLAN FOR MEMORIAL DAY

Important Meeting of Executive Council
of Mason County Soldiers on
Saturday to Plan For
Memorial Day.

Captain Robert Cochran, President of the Mason County Soldiers and Sailors Association, today issued a call for all members of the Executive Council of the Association to meet at the Chamber of Commerce building on next Saturday afternoon at 3 o'clock to consider laying plans for a Memorial day program.

The Association officers hope to have a very interesting program in Maysville on Memorial Day—May 30th—when the heroes of the Civil and World Wars will be honored. Full details for the program will be worked out at next Saturday's meeting and it is expected that every member of the Executive Council will be present.

These plans have been discussed privately among the returned soldiers and sailors for some time but this is the first call for a meeting on the subject.

CITY TAX SUPERVISORS HAVE ORGANIZED

The Maysville City Board of Tax Supervisors met in the office of City Assessor Harney this morning and organized for the work of equalizing the city's tax assessment. Mr. A. F. Curran was chosen Secretary of the Board and work has been started, the board having practically finished the first ward by this afternoon.

HERE COMES ANOTHER

S. S. Battisto, advanced man for the Liberty Shows, is in the city today making arrangements for the appearance of his shows in Maysville next week. This is said to be a small carnival but the advance man says it will be run in a first class manner here. The company has not yet found a lot for their shows.

Edward Pickett Barbour, son of Mr. and Mrs. George Barbour, of this city, has successfully passed the entrance examination to West Point Military Academy according to announcement reaching here today from Washington.

The Ohio River reached its crest in the summer rise at this point Wednesday night at 36.9 and began falling this morning. It is expected that the fall be slow because of the great amount of water in the Mississippi and lower reaches of the Ohio.

Miss Margaret R. Brown will open a night class in Bookkeeping Monday, May 19. Phone 696. 15-37

MASON COUNTY MAN REPORTED WOUNDED SAYS HE'S ALL RIGHT

William Sweet Officially Reported Se-
verely Wounded in Russia and
Again Reported Killed, Cables
Parents That He Is
All Right.

Several weeks ago Mr. and Mrs. James Sweet, of the Bull Creek neighborhood, were advised unofficially that their son, William T. Sweet, who was with the A. E. F. in Russia had been killed in service. In several weeks after the receipt of this unofficial notice, they received a notice from the War Department announcing that the young man had been severely wounded while in service and as these notices generally precede announcement of death, it was generally believed that the young man had met his fate.

Yesterday, however, Mr. and Mrs. Sweet received the first message by cable direct from their son since he had been in Europe and the first word they had received from him since he had been reported wounded severely by the government. This cablegram simply said "Well, feeling fine, Mother don't worry." This message lifted a great load from the family who had been mourning their son as lost.

The family is now anxiously awaiting a letter from Russia in which the young man will do doubt explain his being wounded and his recovery to good health.

SHOOTING GALLERY WILL SOON BE CLOSED

Because of the sale of the Roser building in lower Market street the shooting gallery which is operated there will be closed in a short time and as shooting has become a very favorite pastime in Maysville just now for the boys and especially the men who wore khaki, it is expected that there will be quite a rush at the gallery for the next few days.

BIG SALE IS CONTINUED

The big sale which has been in progress at the Maysville Suit & Dry Goods Company's store will be continued for a short period and those who have not yet had an opportunity to see the wonderful bargains that are being offered there should investigate at once. Read the big advertisement in today's issue and act promptly.

Mrs. Thomas Ryan, who has been in a Cincinnati hospital for some time where she underwent a serious surgical operation, arrived home last night.

Bitter or Better Baking

A letter makes a great difference in a word. A word makes a great difference in baking powders.

If the little word "alum" appears on the label it may mean *bitter* baking.

If the word ROYAL stands out bold and strong, it surely means **BETTER** baking.

This is only one reason why it pays to use

Royal Baking Powder

Absolutely Pure

Made from Cream of Tartar derived from grapes

**Royal Contains No Alum—
Leaves No Bitter Taste**

OUR LETTER BOX

Correspondents will please give facts as briefly as possible. When anything of great importance occurs use the Telegram or the Telephone at our expense.

PRaises "ARMY."

Evangeline Booth, Commander

of the Salvation Army in the

United States, received the fol-

lowing letter from David Lloyd

George:

"British Delegation,

"Paris, April 8, 1919.

"Dear Madam—I have very

great pleasure in sending you

this letter to say how highly I

think of the great work which

has been done by the Salvation

Army amongst the Allied Armies

in France and the other theaters

of war. From all sides I hear

the most glowing accounts of the

way in which your people have

added to the comfort and wel-

fare of our soldiers. To me it

has always been a great joy to

think how much the sufferings

and hardships endured by our

troops in all parts of the world

have been lessened by the self-

sacrifice and devotion shown to

them by that excellent organiza-

tion, the Salvation Army. Yours

faithfully,

"DAVID LLOYD GEORGE.

"Commander Evangeline Booth,

New York City."

The Salvation Army Home

Service Fund Campaign for \$13-

000,000 will be conducted during

the week of May 19-28.

The Salvation Army's slogan is "A

man may be down, but he's never out."

The "Army" will ask for \$13,000,000

during the week of May 19-28. Your

contribution will help prove the truth

of the slogan.

The success of the Salvation Army

Home Service Fund campaign for \$13-

000,000—May 19-28—means less pov-

erty and less crime in the United

States.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

HARRY LAUDER, A KNIGHT

Everybody is glad Harry Lauder has a handle to his name to use if he wants it. Nobody is going to call him "Sir" Harry, but there is general rejoicing that the minstrel-philosopher has been recognized and honored for a war work far exceeding a jester's merit.

After the death of his son John, he set out to raise a fund of a million pounds for his wounded countrymen. He has succeeded splendidly. That is a very formidable amount for one man to raise by the giving of platform entertainments and by the income from writings. Harry Lauder's working days and nights are thronged. Precious little time has he to himself. He has not spared himself. When he was "worn to a frazzle" again and again he has pulled himself together and given "just one more" to pleading soldiery. He has held the theory that since they gave all for him he must give all to them.

There has been wrought in him the war change seen in so many men. The spirit of service and of consecration has entered into him to possess him. The sign of the cross has pushed the dollar out of his horizon. He wants money, he wants a lot of money, but he wants it to do good.

FOR UNIVERSAL TRAINING

Soldiers of the Rainbow division are reported to have returned from France enthusiastic advocates of universal military training for America. This sentiment is directly opposite that looked for by pacifists and other opponents. It is the outcome of experience, however. Some may attach weight to the fact that the members of the Rainbow outfit were in the national guard before going into the federal service. This is true, but the fact that they came out of the trying ordeal of training for all our youth should strengthen rather than weaken the value of their opinion. Generally the value of military training as an asset in life is becoming understood, while its importance to the nation is admitted wherever it has been soberly thought of.—Omaha Bee.

THE MERCHANT MARINE MUST RANK IN FUTURE AMONG GOVERNMENT'S RESPONSIBILITIES

(Philadelphia Bulletin)

The significance of the reported decision at Paris, that the entire fleet of German ships interned in American ports at the beginning of the war is to be taken over by the United States Government can best be gained by comparing its total of 654,050 tons with the fact that the entire merchant

marine under the American flag, engaged in foreign commerce and whaling in 1914 aggregated but 1,076,142 tons. By this single transaction the American fleet suitable for foreign commerce is increased 60 per cent.

What disposal is to be made of this fleet, together with the scores of ships contracted for by the Shipping Board, is a matter still on the knees of the gods. They may be sold by the Government to private shipping interests; they may be leased to such interests for operation; they may be operated by the Government itself, in an experiment in Governmental functioning that is without a parallel in the history of the world.

But whatever shall be determined as the future policy, the fact remains that the merchant marine problem of the Government, including not only what we commonly term the "navigation" laws, but the diplomacy and legislation pertaining to foreign trade, must in the future rank among the greatest of Governmental responsibilities, and will be entitled to representation at the President's Cabinet table.

Elite Confectionery

Points in the Moline's Favor

There are many points in the MOLINE'S favor when the question of what Farm Tractor to buy comes up. To put them all in print would make a long, long story—but to make a long story short—

POINT 1—The MOLINE is the ONLY tractor with electric lights and self-starter. You don't have to quit important plowing or other work just because the sun goes down. Just turn on the lights and keep right on. The MOLINE will work 24 hours a day for you. Never mind the weather. If it rains on Monday, you can do 2 days' work on Tuesday to make up for it.

POINT 2—The MOLINE is the ONLY tractor that cultivates the seed in the soil.

POINT 3—The MOLINE is the ONLY tractor that reverses and goes around a stump or rock. You drive the MOLINE same as an automobile. Drive backward as well as forward.

POINT 4—The MOLINE is the ONLY tractor that cultivates two rows at a time.

POINT 5—The MOLINE is the ONLY tractor that can be turned around in a 16-foot circle and can be put in a small-sized shed.

POINT 6—The MOLINE is the ONLY tractor that has a device to lock the differential and give perfect traction in soft ground.

POINT 7—The MOLINE is the ONLY tractor that will start and finish a field without a horse.

There are SEVEN points—"one for every day in the week." For more "points" or a demonstration, phone, see or write

GERMANY MAKES A NEW PLEA TO ALLIES

Germany Sends Notes to Allies—Plan for League of Nations is Suggested.

Paris, May 14.—The "Big Four" received three new notes from German delegates relative to peace terms today. Their nature was not disclosed.

Seven communications concerning the treaty thus far have been delivered to the allies.

The request in the first two was refused promptly. The second two, dealing with labor and German war prisoners, were referred to a committee of experts.

It was believed a reply to the labor note might be made today.

Confidence was expressed in high quarters that, notwithstanding the present flood of communications from the Germans, they will complete their objections well within the 15-day time limit, and the allies will have made reply within another 10 days.

The same authority admitted cleverness of the labor note, which may be used as a wedge for more objections, also as a means of winning sympathy of certain radical elements through out the world.

The German plan for a League of Nations, which was referred to the allies, sets forth these principles, it was learned today:

1. Prevention of international disputes.
2. Universal disarmament.
3. Freedom of traffic and general

equality of economic rights.

4. Protection of national minorities.
5. Creation of an international workers' bureau.
6. Regulations of colonial questions.
7. Union of existing and future international institutions.
8. Creation of an international parliament.

TIME IS THE TEST

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Henry S. Gallenstein, blacksmith, 124 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put an entire stop to the pains and my kidneys became well." (Statement given January 9, 1912.)

RESULTS THAT REMAIN

Over four years later, on November 14, 1916, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gallenstein had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

ECONOMIZE LABOR BY USING MORE HORSE POWER MACHINE

Expert in Farm Management Says Economize By Using More Labor Saving Machinery.

(By W. W. Nicholls)

One practical plan for enabling a man to accomplish more farm work in a day is for him to drive more horses. In a great many cases farmers who have been breaking land with the 12-inch 2-horse plow could break 50 per cent more land in a day and do it better by putting in a third horse and using a larger plow. Often the two-bottom 4-horse plow can be used to advantage and will enable one man to plow as much in a day as two men using a single moldboard plow. On good sized farms where the land is not rocky or steep, and other conditions are favorable, it often pays to use a tractor and break three furrows at a time.

Farmers who are still using the one-horse cultivator in the corn field should replace this with the 2-horse cultivator if they expect to cope successfully with the labor problem. On many Kentucky farms having good sized fields that are not too sloping the 2-row cultivator pulled by three horses should replace the 2-horse-one-row cultivator.

In many cases one man with the use of a manure spreader can double the amount of manure he can haul in a day with a wagon.

Much time and labor can be saved

by hauling larger loads at each trip. A considerable saving will also be made by driving the team at a comfortable trot on the return trip with the empty wagon. More farmers should adopt the use of three and four-horse wagons, especially when loads are to be hauled considerable distances, and whenever possible the teams should go loaded both ways.

Doing work at the proper time is a matter of vital importance in saving labor. A half day's work with the weeder or harrow when the weeds are just sprouting will kill more weeds than two days' work later when the weeds have gotten a start. The most vital rule for the successful farm manager is to constantly push forward and keep ahead with the farm work.

Labor saving machinery when judiciously selected helps greatly in solving the farm labor problem. To justify a complete line of such machinery a good-sized farm is required. But two or three neighbors whose farms are too small to justify the individual purchase of such machines as the manure spreader, grain binder, corn harvester, or ensilage cutter, can overcome the difficulty by owning these machines cooperatively.

If there's a better coffee than Rookwood, we'd sell it, but there isn't so we sell "Rookwood". If you don't drink Rookwood you are certainly missing a great treat.

YOUR GROCER

Some of the worst strains our nerves have to endure come from the next-door neighbor's phonograph.

BUY VICTORY NOTES STATE NATIONAL BANK

Of course, some of the politicians are going to get tearing mad at the passage of that "ripper" bill.

Clean-Up Week is an appropriate time for finishing the Victory Loan.

It's the duty of street car conductors to see that the men with cigars don't "butt" in.

The best branches of learning do not always spring from an exclusive family tree.

Orchestra.
Reconstruction—Emma Glascock.
The Girl I Left Behind Me—Bessie Catron.
Diving For Pearls—Lana Dameron.
Orchestra.
Relief in Holy Lands—Grace Mattox.
Tomorrow's Air Travels—Enid Covert.
Class History and Prophecy—Ermine Gray.
Violin Solo—Mr. Robert Straus.
Class Address—Hon. Stanley F. Reed.
Orchestra.
Presentation of Diplomas—Supt. E. V. Stephan.
Clarinet Solo—Kenneth P. Clark.
Benediction—Rev. B. A. Miller.

BACK WITHOUT SERIOUS MISHAP

The Mason county delegates of Republicans who attended the state platform convention at Lexington Wednesday returned to Maysville by automobiles early Thursday morning without experiencing a serious mishap and having been successful in their efforts at the big meeting.

PRAYER MEETING AT BAPTIST CHURCH

Regular mid-week prayer services will be held at the First Baptist church this evening at 7:20 o'clock. Rev. Ben Miller, pastor of the Aberdeen Baptist church will be in charge of the services in the absence of the pastor from the city.

STRONG PLATFORM

(Continued from First Page)

Charles R. Moriarity, of Covington, who arose to second the nomination made by Judge Tartar, had small success in his attempt at introductory remarks, being interrupted in almost every sentence with cries of "We Want Morrow," "Let Morrow Come On," and "Where is Ed Morrow?"

Fred M. Sackett, of Louisville, in behalf of the Jefferson county delegation, also seconded the nomination. It was moved and seconded that nominations close and Morrow be nominated by acclamation. A. T. Hert, Harry Giovannoli and E. T. Jones were appointed by the chair to present Mr. Morrow to the convention.

The cry of "Morrow" broke from five thousand throats as the "Little Giant of Pulaski" appeared on the platform. The vast audience rose in a demonstration rarely equalled even in a political convention, the cheers and applause continuing several minutes while the leader bowed his appreciation and the band played patriotic airs.

From every corner of the hall he was cheered and wildly applauded as he made his pledges and pointed out the failures of the Stanley administration. Always able to sway his followers by his powers of oratory, and speaking to its representatives when they were about convinced by other speakers that victory was in their grasp, he was in his glory, and his reception was that of an absolute leader by his eager followers.

Other candidates recommended were:

For Lieutenant Governor—S. Thruston Ballard, of Louisville.

For Secretary of State—Fred A. Vaughn, of Pike county.

For Attorney General—Charles L. Dawson, of Pineville.

For Auditor—John J. Craig, of Covington.

For Superintendent of Public Instruction—George M. Colvin, of Springfield.

For Clerk of the Court of Appeals—Roy B. Speck, of Bowling Green.

For Commissioner of Agriculture—W. C. Hanna, of Shelbyville.

"The Log Cabin" was re-adopted as the party emblem, and the convention adjourned.

WOMEN BACKING THE SOLDIER BOYS

When the history of the war has been written, the work done by the women at home will impress itself upon this nation as few even now realize. Literally, millions of women left their homes and took up war activities into which women had never before been called, and many more at home devoted long hours at work in knitting and preparing surgical dressings for the boys "over there." Some may have worked at the expense of health and are now suffering from headaches, backache, dragging-down pains or some derangement. It should be remembered that Lydia E. Pinkham's Vegetable Compound for more than forty years has been restoring such women to health and strength, and is now recognized as a standard remedy.

EASTERN STAR

The order of the Eastern Star meets Friday, May 16, at 7:30 p. m. at the Masonic Temple. There will be inspection and initiation. Every member is urged to be present.

RURAL MEMBERSHIP CAMPAIGN FOR E. OF C. PLANNED

Directors of Maysville Chamber of Commerce Lay Plans to Interest More Farmers in the Organization.

The Board of Directors of the Chamber of Commerce met last evening in the offices of the organization and transacted some very important business. The main topic for discussion being, the campaign to secure the renewal of the Rural Memberships.

Mr. A. L. Glascock, Director of the Agricultural Affairs Department, stated that he felt the farmers all appreciated the efforts being made by the Chamber of Commerce to secure better marketing conditions for them, and those that were taking advantage of County Agent Kirk's services at the Chamber of Commerce appreciated the opportunity to secure such valuable advice as he has been rendering. Mr. Glascock also spoke of the great help the auto bus line was to the farmer and his wife, giving them the opportunity to phone in at a central station and have merchandise brought out on the afternoon truck.

Vice President George Dodson referred to the added use many of the farmers were making of the Chamber of Commerce building for meetings and stated that in his conversation with many of them, they were all glad that they were members of the Chamber of Commerce, and felt sure that they would desire to renew their membership.

A tentative plan was submitted by Director Glascock calling for a one day campaign on June 4th at which time each of the ten officers and directors of the organization would captain a team of workers in the different sections of the county. The members will be given the opportunity to renew the membership and new members will be solicited. Over one hundred men of the county are members of the Chamber of Commerce and the committee feel that this number can be increased to three hundred when the farmers are told of some of the future plans of the organization.

Mr. N. S. Calhoun, Treasurer of the organization is working in connection with some of the most prominent bankers of the state to secure a Farmers Institute for Mason county.

This Institute should be a great help to those farmers that desire to make more money by taking advantage of the opportunity to hear the way some of the most successful farmers of the state are doing things.

Mr. Calhoun stated that he had the assurance of Mr. Speed, the State Chairman, that Mason county should be included in the circuit. He further suggested that Beechwood Park be secured. The Board of Directors were given the privilege to use it if they desired by President Cochran. At a recent meeting, a motion prevailed assuring the State Committee of the co-operation of the Chamber of Commerce and suggesting that a date about the middle of July would be most desirable. The Board of Directors all felt that Beechwood Park was the best adapted place in the county to hold such a meeting and extended their appreciation to the President for his kind offer.

Commissioner W. Holton Key addressed the meeting, informing the men of the plans of the Fiscal Court to give the voters of Mason county the opportunity to vote an additional tax for a better road system. The campaign was outlined and the co-operation of the Chamber of Commerce solicited. A motion prevailed assuring the Fiscal Court that the Chamber of Commerce has always stood for the improvement and betterment of conditions in Mason county and they were glad of the opportunity to endorse this tax to the voters of the county.

OFFICIAL NOTICE OF MASON BOY'S DEATH

Although notified unofficially of the death of Private Grover Lauderback, of this county, no official notice was given until his name appeared in the army casualty list announced by the War Department last night.

Col. J. B. Orr, Superintendent of the Public Ledger Printing, today received a post card from "Jimmy" Brown, Ledger man now in Europe, on which he says he is quite well and that Limburg, where he is now situated is a fine place NIT.

Mr. James B. Key, trustee of the Mason County Jury Fund, announces that he has received the money from the state for payment of jurors' fees. This fund has been placed at the Bank of Maysville where jurors can procure their funds.

Mrs. P. Ryan was called to Covington yesterday on account of the serious illness of her sister, Mrs. Rains.

HOP-OFF FOR BIG LAP OF OCEAN TRIP TODAY

Navy Airplanes in First Air Trip Over Atlantic Will Start on Biggest Part of Trip This Afternoon—Three Planes Are On Trip Now.

Trepassey, N. F., May 15.—The Navy-Curtiss seaplanes NC-1 and NC-3 will start for the Azores on their way across the Atlantic this afternoon, if weather conditions are favorable. Commander John H. Towers announced today. The NC-4, flying here from Halifax, will follow as soon as possible, joining the rest of the squadron at the Azores.

Towers expects the NC-4 to reach Trepassey about 5 p. m. today. She will make the next jump as soon as she has been overhauled and inspected carefully.

Plans call for her to start for the Azores within 12 hours after the NC-1 and NC-3, which will make possible a rendezvous of all three planes at Punta Del Gada, where the machines will jump off for the coast of Portugal.

Advices received at the naval base here said Lieutenant Commander Read of the NC-4 stopped at Halifax because he disliked landing in the dark in the strange waters of Trepassey Bay.

Fog off the entrance to Trepassey Bay will not prevent a start if conditions in the upper air are considered good, it was said today.

The planes easily could rise above fog banks.

Maysville's ball park is now but a thing of memory. The grand stand has been entirely torn down and the park is now being ploughed up into a big field. There are yet, however, several pretty good diamonds scattered about in various parts of the city.

Harold Winder, who recently returned from France and who has been awaiting his discharge at Camp Zachary Taylor, arrived here last night on a short furlough called here by the serious illness of his mother, Mrs. J. T. Winder, of Rectorville.

Mr. Kenneth Clark, Chief Deputy Collector, Income Tax Division, of the First District of Ohio, Cincinnati, came up today to attend the Aberdeen Commencement exercises this evening.

CONTRACTORS HAVE PLANS FOR NEW BAND STAND

Local contractors were today furnished with plans and specifications for the proposed new band stand to be erected in Market street. It is expected that bids will be presented to the committee in the immediate future and that the contract will soon be let.

MOVE TO LEXINGTON

Mrs. Roger Devine and family this morning moved to Lexington which city they will make their future home. The household goods were moved through over land by the Luman Motor Transfer Company.

PURCHASE NEW TRUCK

White Brothers, who operate the motor bus line between this city and Sardis, have purchased and received from C. L. Mains & Co., local agents, an attractive new Service Truck which will be used in this trade.

HAMILTON-REED

Mr. Joseph B. Reed, aged 21, and Miss Addie Hamilton, aged 37, both of the Mayslick neighborhood, were married in the County Clerk's office here today by County Judge H. P. Purnell.

The party who ran the automobile into the fence at the cemetery is known, if he will come forward and do the gentlemanly act and repair the damage or pay for the repairs, nothing will be said, and if it was an accident it will be overlooked. If not he will be prosecuted to the full extent of the law.

Hon. Duke Hargett, of Augusta, was here today on legal business.

NOTICE to Contractors

Bids will be received till June 2nd, 1919, to build a chapel on the grounds of the Maysville and Mason County Cemetery Co. Plans and Specifications can be seen at M. F. Williams Drug Store. The Company reserves the right to reject any or all bids.
